Legislator Kara Hahn

East Setauket, NY 11733

Dear Legislator Hahn,

It is my pleasure to inform you that CWA Local 1108 is endorsing you for Suffolk County Legislator in the Fifth Legislative District.

We feel that you have been a strong advocate for the membership of CWA 1108 and the working men and women in not just your District but in all of Suffolk County. It is greatly appreciated all that you have done to stand with us in our fight to protect our work and jobs, such as CWA's campaign to improve the telephone network by signing on to our PSC petition and testifying at the PSC hearing or your support for our fight for a fair contract during our 7-week strike against Verizon. We appreciate your willingness to walk the walk with us and talk the talk for us by walking a picket line, speaking at a rally or make a call and write a letter. You are a true friend of CWA and Labor and your loyalty to us all will not be forgotten.

We wish you the best of luck and look forward to working with you in the future.

Sincerely,

Don Dunn  
President, CWA Local 1108
